

Release of Liability/Waiver:

In consideration of the acceptance of my entry and being allowed to participate or volunteer for the **ND2UD Ride for Life** (a one to four day event) sponsored by Dayton Right To Life Society, I, the undersigned, acknowledge, appreciate and agree that:

1. The risk of injury from the activities involved in this program is significant, including the potential for permanent paralysis, and death, and while particular skills, equipment and personal discipline may reduce this risk, the risk of serious injury does exist; and
2. I knowingly and freely assume all such risks, both known and unknown, even if arising from the negligence of the releasees or others, and assume full responsibility for my participation; and
3. I willingly agree to comply with the stated and customary terms and conditions for participation. If, however, I observe any unusual significant hazard during my presence or participation, I will remove myself from participation and bring such to the attention of Dayton Right To Life Society immediately; and,
4. I, for myself and on behalf of my heirs, assigns, personal representatives and next of kin, hereby release, indemnify, and hold harmless Dayton Right To Life Society, their officers, officials, agents and/or employees, other participants, sponsoring agencies, sponsors, advertisers, and, if applicable, owners and lessors of premises used for the activity ("Releasees"), with respect to any and all injury, disability, death or loss or damage to person or property associated with my presence or participation, whether arising from negligence of the releasees or others, to the fullest extent permitted by law.

Safety helmets are required for all riders. Headphones for riders are not allowed in this event.

I grant Dayton Right To Life Society specific permission to reproduce, publish, circulate, copyright or use any and all photographs and/or video (and use of name) of me and/or my family taken at the **ND2UD Ride for Life**.

I have read this release of liability and assumption of risk agreement, fully understand its terms, understand that I have given up substantial rights by signing it, and sign it freely and voluntarily without any inducement.
