Clark County	159

Induced abortion statistics have been prepared in Ohio since 1976. The 2019 Annual Abortion Report presents information derived from both the “Confidential Abortion Reports” and “Post-Abortion Care Reports for Complications” in Ohio; reporting forms are included as Appendices I and II. Readers should note that abortion statistics in this report are limited to terminations occurring in Ohio; they do not include Ohio residents who obtained abortions outside the state.
