Board Member Ellie Wittman joins President Trump at Executive Order signing protecting first amendment speech on our college campuses!

Ellie Wittman, a student at Miami University of Ohio, joined President Trump this afternoon as he signed an Executive Order protecting student's freedom of speech on college campuses. (You may remember Ellie from our event in 2015 with Ben Carson.)

Ellie joined our Board in January 2019. We thank Ellie for her witness on the campus of Miami and in our community. She is a wonderful ambassador for the pro-life generation.

Watch the video [here](#). (Ellie is introduced at about 4:30 in the video.)
