*Pro-life Protection, No Exceptions*

The **Right to Life Action Coalition of Ohio**, (RTLACO) an association of metropolitan, county and local pro-life/life-affirming organizations, focuses on developing and strengthening local grass roots pro-life leadership, true representative governing for the statewide organization, a commitment to a consistent, and a holistic pro-life standard to evaluate both policies and elected officials/candidates. As part of the endorsement process, the RTLACO's endorsement committee considered the following criteria:

- a **completed online survey** by the deadline established
- a **passing score**, including our non-negotiable standards on life, **including being pro-life with NO EXCEPTIONS**
- if they are a **current legislator**, **pro-life voting record**

Other considerations include: contributions to and from the candidate and organizations to which they are members.
